

The Bay Area Desk and Derrick Club of Region II cordially 'encourages' you to join us in beautiful Traverse City Michigan for the Regional Meeting of 2010.

Region II Director, Kathy Deshasier, warmly invites you to her hometown to experience the beauty and enjoyment of small town USA. Traverse City has the most gorgeous scenery as it is located on the Grand Traverse Bay of Lake Michigan. The Grand Beach Hotel is the site for this event. Yes, it is on the beach, and the beach is truly grand! The hotel offers beachfront rooms, complimentary breakfast, indoor pool and spa, a large hospitality and meeting room – all at an affordable rate.

Friday morning will begin with a seminar from a local oil and gas company owner, Bob Mannes. He will describe the innovative means to sequester carbon dioxide. It's becoming quite the 'green' thing to do in Michigan. Afterwards, transportation will be provided to the Traverse City Country Club for the Industry Luncheon. The guest speaker promises to captivate with his vast knowledge of energy and alternative resources. You'll be whisked back to the hotel to slip into something more comfortable for the field trip. Our club has toured the M-Tec facility of Northwest Michigan College (NMC) powered by solar panels. It was so intriguing that we wanted to share. They are innovators in alternative energies that surely you'll enjoy learning more about. Next stop is the Cherry Capital Airport where we'll visit the NMC Flight School. Classrooms, simulators, fueling information (to keep it gas and oil) and the air fleet are among the items on the viewing list. The airport control tower is preparing to give us a firsthand experience of the planes landings and take offs from the sky and their monitors. Dinner will be included and if there's time we may stop at the tasting room of a winery.

Saturday we'll get right to it with the delegate/alternate meeting, open forum and business meeting. Our very own Joann Wille promises to hold our attention as the speaker at the awards luncheon. The afternoon will be opened for any unfinished business, relaxing on the beach or shopping in the many quaint stores downtown. The evening dinner will cap off the weekend. We are honored to have the ADDC President Elect, Angie Duplessis as our key note speaker.

Although there isn't a restaurant at the Grand Beach Hotel, a continental breakfast is included in the room charge each day. Restaurants are located nearby, most within walking distance. Catering will accommodate the lunch and dinner events on the Saturday agenda; therefore we will be staying on site. The Hospitality room will be well equipped with snacks and refreshments, and you are welcome to bring your own as well. The BADD girls are looking forward to seeing all of you in May!
