Dear ADDC Board of Directors,
Region II Presidents and Members:

It is with great pleasure that I invite you to the 55th Annual Region II Meeting! The Olney Desk and Derrick Club is hosting the event. Please join us on April 27-28, 2012 at the Holiday Inn in Carbondale, Illinois.

It only takes a spark

to get a fire going!

The Holiday Inn has excellent, affordable accommodations and has guaranteed a rate of \$109.00 plus tax per room. They also have professional meeting rooms which will be perfect for our business meeting and functions.

On Thursday evening, April 26, we will be gathering around a campfire. There will be food and drinks and lots of time to visit with old friends and, hopefully, some new acquaintances. And what campfire would be complete without s'mores!

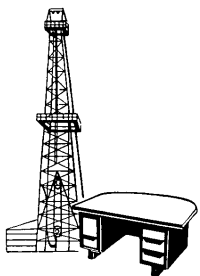

On Friday we will board a chartered bus to embark on a tour of beautiful Southern Illinois to see some impressive geological formations that are visible at the surface. Joan Crockett and Brett Denny of the Illinois State Geological Survey will be our tour guides. Some of the stops include Garden of the Gods, where Pennsylvanian sands are exposed; Cave-In-Rock, a magnificent limestone cave located along the beautiful Ohio River and seen in the movie "How the West was Won"; and the Hastie Fluorite Quarry, where, if we can get permission to enter, we can collect some gorgeous fluorite pieces. That evening we will honor Region II A.I.M.E.E. winners at the awards dinner. Sharon Holland-Welge, motivational speaker and member of the Heartland Club, will inspire us to become the spark that ignites a fire in our Region and industry.

Saturday will start with an open forum, followed by our business session and election of next year's Region II Director and host club. Kim Oelze, current President of the Illinois Oil and Gas Association and member of the Heartland Club, will be the speaker for our Industry Luncheon. Judi Adams, our 2012 ADDC President, has graciously consented to be the keynote speaker for our Saturday banquet.

General Arrangements Chair, June Kuenstler, has been working diligently to ensure that you have an enjoyable, educational and memorable time! So mark your calendar, make your reservations and plan to attend the 55th Annual Region II Meeting.

Warmest Regards,

Linda
