

Tammy L. Watkins, Registered Landman (RL)

Petroleum Landman

CTKW Petroleum Land Services, LLC

Bio:

Tammy has been a Petroleum Landman for over 10 years, specializing in Held by Production (HBP) areas. In 2009 Tammy and her husband Cody, who is also a Petroleum Landman, started their own company called CTKW Petroleum Land Services, LLC.

As a landman Tammy has analyzed the complex title in South and East Texas, as well as, parts of Central and the Panhandle of Texas, along with the entire state of Oklahoma. She has worked on portions of the Barnett, Woodford and Scoop-Stack Shale plays. These areas of production yield a significant amount of the United States natural petroleum resources.

Tammy graduated from the University of Maryland University College, in Heidelberg, Germany with an Associates of Arts degree in Business Management. She is an Alumnus from the University of New Mexico where she earned her Bachelor of Arts degree in English/Pre-law. Tammy is a member of American Association of Professional Landmen (AAPL), Young Professionals in Energy (YPE) and teaches area schools about Petro Pros which is a program provided by the Oklahoma Energy Resource Board (OERB). She is an active member of her church, serves as the church Treasurer, Co-Chair for the Board of Christian Education and teaches Sunday school. Tammy has served the Desk and Derrick Club of Enid as President, Vice-President, Treasure, Corresponding Secretary, 2016 Region VI Director and the 2017 ADDC Treasurer.

Tammy, her husband Cody and their daughter Kaidy live on a farm near Carrier, Oklahoma and love to serve their community and the Lord.
